- 6. **Subcontracting:** Contractor shall not subcontract the whole or any part of its obligations hereunder without first receiving the written consent of CP, which consent may be withheld in CP's sole and arbitrary discretion. Where such consent is granted, Contractor shall not be released or relieved from any obligations or liabilities of Contractor in this Purchase Order nor shall CP be prevented from pursuing any legal or equitable remedies it may be entitled to. Contractor shall remain liable and responsible to CP, and shall indemnify CP in accordance with Section 12, for the acts and omissions of any subcontractor and shall ensure that any subcontractor strictly adheres to all terms of this Purchase Order, including any safety and security requirements referred to in this Purchase Order. Contractor shall provide to its employees, at its own expense, any and all safety gear required to protect against injuries during the performance of any of its obligations in this Purchase Order and shall ensure that its agents, employees, and subcontractors are knowledgeable of and utilize safe practices in the performance of any of its obligations in this Purchase Order, such practices to be at least as stringent as those set out in CP's Minimum Safety Requirements, which is available for viewing at www.cpr.ca.
 - b. Contractor and all of its employees, agents, and subcontractors, shall maintain an active registration with E-VERIFILE (E-RAILSAFE program), or any similar organization(s) being utilized by CP for Contractor safety, security, and insurance compliance, at its own expense. Contractor shall ensure that all agents, employees, and subcontractors, who in the scope of their duties are required to perform Contractor's obligations in this Purchase Order on CP property, have registered with the E-RAILSAFE program and have completed all online safety or security training and background checks as requested by CP or E-VERIFILE. Contractor shall ensure that all of its agents, employees, and subcontractors, carry proof of the E-RAILSAFE program certification at all times while on CP property. CP may, in its sole and arbitrary discretion, exempt the Contractor from the requirements of this paragraph.
 - c. Where applicable, Contractor shall obtain and maintain both a subscription and a satisfactory grade with ISNetworld (www.isnetworld.com), or any similar organization(s) being utilized by CP for Contractor safety, security, and insurance compliance, at its own expense. Failure by the Contractor to obtain or maintain both a subscription and a satisfactory grade with ISNetworld, or any similar organization(s) being utilized by CP for Contractor safety, security, and insurance compliance, shall be an Event of Default under this Purchase Order where such failure continues for more than thirty (30) days after receipt of notice of such breach from CP, ISNetworld, or any similar organization(s) being utilized by CP for Contractor safety, security, and insurance compliance.

Notwithstanding any training that is or is not required by CP, the Contractor shall in all circumstances and at all times be responsible for ensuring the safety and health of its agents, employees, and subcontractors.

- 10. Workers' Compensation:** Where Contractor is required to provide services in conjunction with the Product, Contractor shall upon request from CP, or a third party acting on CP's behalf, furnish CP with written documentation from the applicable workers' compensation authorities, or equivalent authorities, of the state(s) where the Contractor is performing its obligations in this Purchase Order that Contractor, and any of its subcontractors or agents, are in good standing with such authorities. No Contractor invoice shall be payable until such confirmation is received.
- 11. No Exclusivity:** Contractor acknowledges that it is not the exclusive supplier of the Product to CP, and that CP may, from time to time, purchase goods and related services similar or identical to the Product from other suppliers at CP's sole and arbitrary election, and that no guarantee of any quantity of Product either in volume or dollar value is given or implied by this Purchase Order.
- 12. Indemnity and Waiver:** Except to the extent of CP's own negligence, Contractor shall be liable to CP for, and shall indemnify, defend, and save harmless CP from and against, any and all Claims (including legal fees and associated expenses) suffered or incurred by CP that arise out of or result from any act or omission under this Purchase Order, or any breach of this Purchase Order,

by the Contractor, or its subcontractors, including without limitation:

- g. those brought for actual, alleged, direct or contributory infringement of any patent, trade mark, copyright or industrial property right.

Except to the extent of CP's own negligence, Contractor shall make no claim or demand against CP for any injury (including death), claim, expense, loss or damage to property suffered or sustained by Contractor or any other person which arises out of or is connected with this Purchase Order or anything done or not done as required hereunder, or any other errors or omissions of Contractor, and hereby waives as against CP all such claims and demands.

The onus of establishing that CP was negligent, and the relative extent of that negligence, shall be upon Contractor. CP shall not be deemed to have caused or contributed to a Claim merely by reason of its knowledge, approval or acceptance of the Product, materials, shop drawings, specifications, supplies, equipment, or procedures of Contractor.

For the purposes of this Section, any reference to "CP" shall include CP and its affiliates, together with the directors, officers, employees, representatives and agents of CP and its affiliates; and any reference to "Contractor" shall include Contractor's directors, officers, employees, affiliates, representatives, and agents.

For the purposes of this Section, "Claims" means any and all claims, suits, demands, awards, actions, proceedings, losses, costs, damages, or expenses.

This Section shall not be replaced or modified by any terms contained elsewhere in this Purchase Order, including any schedules attached hereto.

This Section shall survive the expiration or termination of this Purchase Order and shall in no manner limit or restrict the liabilities and obligations of Contractor in this Purchase Order.

13. Insurance: Contractor shall, at its own expense, obtain and maintain, in a form and with an insurance company satisfactory to CP, policies of:

- a. Commercial General Liability insurance with a limit of not less than Five Million Dollars (\$5,000,000) for any one loss or occurrence for personal injury, bodily injury, or property damage, including loss of use thereof. This policy shall by its wording or endorsement include without limitation the following:
 - i. CP and its associated or affiliated subsidiaries (and the Directors, Officers, employees, agents and trustees of all of the foregoing) as an additional insured with respect to the obligations of the Contractor in this Purchase Order;
 - ii. "cross liability" or "severability of interest" clause which shall have the effect of insuring each entity named in the policy as an insured in the same manner and to the same extent as if a separate policy had been issued to each;

- iii. blanket contractual liability, including the insurable liabilities assumed by the Contractor in this Purchase Order;
 - iv. broad form products and completed operations;

CP and its associated or affiliated companies (and the Directors, Officers, employees, agents and trustees of all of the foregoing) shall be waived of any and all subrogation in the event of injury, death, losses, incidents, claims and potential claims.

(collectively, the "**Insurance Coverage**").

Contractor agrees that the insurance requirements set out herein shall not limit or restrict its liabilities pursuant to this Purchase Order.

The Insurance Coverage required to be maintained pursuant to this Purchase Order shall be primary and not excess of any other insurance that may be available.

The Insurance Coverage shall be endorsed to provide CP with not less than thirty (30) days written notice in advance of cancellation, material change, or amendments restricting coverage.

Contractor shall provide CP with written notice and all reasonable particulars and documents related to any damages, losses, incidents, claims, and potential claims concerning this Purchase Order as soon as practicable after the damage, loss, incident, or claim has been discovered. Contractor is responsible for any deductible and excluded loss under any insurance policy. The deductible in any insurance policy shall not exceed such maximum amount that a reasonably prudent business person would consider reasonable.

Contractor shall provide a copy of the certificate(s) of insurance evidencing the above Insurance Coverage and may require Contractor to annually provide a copy of updated certificate(s) of insurance evidencing the renewal of the above Insurance Coverage. Where Contractor maintains a registration with ISNetwork, or any similar organization(s) being utilized by CP for Contractor safety, security, and insurance compliance, Contractor shall send such certificate(s) of insurance or notice(s) to ISNetwork, or any similar organization(s) being utilized by CP for Contractor safety, security, and insurance compliance. For all other cases, such certificate(s) of insurance or notice(s) shall be sent via email to cprail@ebix.com or via fax to (770) 325-6378.

CP shall have no obligation to examine such certificate(s) or to advise Contractor if its Insurance Coverage is not in compliance with this Purchase Order. Acceptance of any certificate(s) which are not compliant with the requirements set out herein shall in no way whatsoever imply that CP has waived its insurance requirements.

CP reserves the right to maintain the Insurance Coverage in good standing at Contractor's expense and to require Contractor to obtain additional insurance where, in CP's reasonable opinion, the circumstances so warrant. If the Contractor fails to maintain the Insurance Coverage required in this Purchase Order, CP may, at its option, terminate this Purchase Order without notice.

14. Audit: Contractor shall keep and maintain true and correct books, records, and accounts with respect to the performance of the Contractor's obligations pursuant to this Purchase Order, along with invoices and monthly summaries, for a period of seven (7) years after the Contractor ceases to supply Product. Contractor shall, upon request of CP, make available and permit CP during such period to inspect, make copies of, and audit such records. If there is any revision to charges as a result of an audit, within thirty (30) days of the audit, Contractor shall pay to CP the full amount of any credit or CP shall pay to Contractor the full amount of any shortfall, as applicable. This Section shall survive the termination of this Purchase Order.

15. Liens: Contractor shall keep all property and premises of CP free from any and all laborers', materialmen's, and mechanics' liens, and similar claims or encumbrances which are attributable to Contractor's performance of its obligations in this Purchase Order ("Lien"). To the fullest extent permitted by law, Contractor waives all rights of any Lien against the property and premises of CP. If Contractor fails to release and discharge any Lien against the property or premises of CP within five (5) days of receiving notice from CP, CP may, at its option, take any and all steps to discharge or release the Lien, or otherwise deal with the Lien claimant, and Contractor shall pay CP any and all costs and expenses of CP in so doing, including reasonable legal fees and expenses incurred by CP. Notwithstanding any provision of this Purchase Order to the contrary, CP shall be entitled to holdback from fees otherwise payable to Contractor all such amounts as CP may be required to holdback pursuant to any applicable federal, provincial or state legislation in respect of liens and similar claims and encumbrances.

16. Confidentiality:

a. Contractor shall:

- i. not make use of any CP Confidential Information for its own personal gain or for any purpose other than is required to perform its obligations pursuant to this Purchase Order;
- ii. not disclose any CP Confidential Information to any person except Contractor's employees, consultants, subcontractors and agents who have a need to know such information consistent with the performance of Contractor's obligations pursuant to this Purchase Order, but only after such person has properly assumed obligations identical in principle to those in this Section and Contractor ensures that such person at all times complies with those obligations;
- iii. employ diligent efforts and exercise reasonable care to hold all CP Confidential Information in the strictest confidence;
- iv. not use CP's name for any marketing or promotional purposes and not make any public announcements or disclosure in respect of this Purchase Order or Contractor's relationship with CP without first obtaining written consent from CP; and
- v. be liable to CP and indemnify CP in accordance with Section 12 for any breach of this Section by Contractor or its employees, consultants, subcontractors or agents.

b. Neither party shall:

- i. disclose the terms of this Purchase Order or amounts paid under it to any person without the other party's written consent, except to a party's employees, professional advisors and insurers who have a need to know such information, but only where the party ensures that such persons are under obligations of confidentiality identical in principle to those in this Section; or
 - ii. disclose the terms of this Purchase Order or amounts paid under it, except in accordance with this Purchase Order and except as required by law, provided that the party from whom disclosure is demanded pursuant to law shall promptly notify the other party of such demand so that the other party has an opportunity to oppose the production.
- c. CP shall not disclose Contractor's information respecting pricing or any information supplied by Contractor that is clearly marked "Confidential" to any person except CP's employees, consultants, subcontractors and agents who have a need to know such information.

For the purposes of this Purchase Order, "CP Confidential Information" shall mean: any and all information, material, or data disclosed to Contractor by CP or its affiliates, or obtained by Contractor in connection with performing its obligations in this Purchase Order, whether orally, or in any written, magnetic, or electronically recorded form, or by drawings, or inspection of parts or equipment, and including without limitation:

 - iii. any information supplied by CP that is clearly marked "Confidential";
- but not including information in the public domain or information that at the time of disclosure was already known to Contractor on a non-confidential basis.

The parties agree that any violation of this Section is a material breach and that CP may avail itself of any legal or equitable remedies available in the event of such breach.

This Section shall not be replaced or modified by any terms contained elsewhere in this Purchase Order, including any schedules attached hereto.

This Section shall survive the expiration or termination of this Purchase Order.

- 17. Ownership of Work Product:** Except as otherwise provided in this Purchase Order, all reports, designs, drawings, studies, specifications, software, copyrights, inventions and other work product and intellectual property created, produced or arising in connection with this Purchase Order, whether completed or in progress, and regardless of who was involved therewith, shall be owned exclusively by CP and either delivered to CP or made available for inspection by CP. CP's ownership of and title to the foregoing shall arise automatically upon creation of the work product. To the extent Contractor has any title to the foregoing, Contractor shall take and cause to be taken all necessary steps (including a waiver of any moral rights) to transfer title thereto to CP.
- 18. Termination:** Notwithstanding anything in this Purchase Order, CP may at any time and without payment of any penalty or damages, cancel the undelivered portion of any Product and terminate this Purchase Order, in whole or in part, upon at least ninety (90) days' notice in writing to Contractor specifying therein the effective date of such termination; or effective immediately in the case of an Event of Default by Contractor. For the purposes of this Purchase Order, an "Event of Default" shall mean any of the following:

Upon such termination, Contractor shall immediately re-pay to CP all sums of money, including deposits, paid by CP net of the purchase price of conforming Product delivered prior to termination, and CP shall have no further liability whatsoever to Contractor save for payment for conforming Product delivered prior to termination.

19. Assignment: This Purchase Order is not assignable by Contractor without the prior written consent of CP, which consent may be arbitrarily withheld. Any purported assignment by Contractor of any of its rights, duties, or obligations in this Purchase Order without CP's written consent shall be voidable by CP at its option. Contractor shall not in any event be released from its duties and obligations in this Purchase Order. CP may assign this Purchase Order without obtaining Contractor's consent.

No provision of this Purchase Order shall in any way enure to the benefit of any third person (including the public at large) so as to constitute any such person a third party beneficiary of this Purchase Order or of any one or more of the terms hereof, or otherwise give rise to any cause of action in any person not a party hereto.

20. Binding Effect: This Purchase Order shall be binding upon and enure to the benefit of each of CP and Contractor and their respective successors and permitted assigns.

21. Interpretation: In this Purchase Order, all references to 'dollars' or '\$' are to American dollars unless stated otherwise. The use of 'CP' and 'CPR' are interchangeable. The insertion of headings is solely for convenience of reference and shall not affect the interpretation of any provision.

22. Independent Contractor: The parties agree that Contractor is an independent contractor, that nothing in this Purchase Order shall be construed as establishing or implying a relationship of master and servant between the parties, or any joint venture or partnership between the parties, and that nothing in this Purchase Order shall be deemed to constitute either of the parties as the agent of the other party or authorize either party to incur any expenses on behalf of the other party or to commit the other party in any way whatsoever. Contractor and its agents, employees, or subcontractors shall at no time be deemed to be agents, employees, or subcontractors of CP, or be deemed to be under the control or supervision of CP when carrying out the Services. Without the prior written consent of CP, Contractor shall not carry on any activity that could be construed as being on behalf of CP.

23. Code of Business Ethics: Contractor undertakes, as a condition of its engagement, to adhere to principles and standards of business conduct consistent with those set forth in CP's Code of Business Ethics, which is available for viewing at www.cpr.ca. CP shall provide a copy of the Code of Business Ethics to Contractor upon request.

24. CP Supplier Code of Conduct: Contractor acknowledges that it has read and understands the CP Supplier Code of Conduct. The CP Supplier Code of Conduct can be viewed at: https://sustainability.cpr.ca/downloads/CP_Supplier_Code_Of_Conduct_Policy.pdf

25. No Waiver: Neither party shall be deemed to have waived the exercise of any right that it holds pursuant to this Purchase Order unless such waiver is made in writing. No waiver made with respect to any instance involving the exercise of any such right shall be deemed to be a waiver with respect to any other instance involving the exercise of that right or with respect to any other right.

26.
