

## Notice of railway work – Montreal, QC

Weather permitting, commencing October 5<sup>th</sup>, 2018, CP will be reconstructing platform tracks at the Lucien L'Allier Station on the Westmount Subdivision.

- Lucien L'Allier Station, starting at mile post 0 and ending at mile post 0.3 on the Westmount Subdivision

Our significant investments in railway infrastructure help ensure trains operate safely through communities.

This work could impact residents in the boroughs of Ville-Marie and Sud-Ouest, and the City of Westmount.

Expected Duration: For approximately 7 weekends, crews will be upgrading platform tracks at Lucien L'Allier station within this corridor. The majority of work will be done between Friday 6:00 p.m. and Monday morning 6:00 a.m. This is to avoid impacting commuter rail service. People should expect to see or hear heavy machinery noise, rail equipment, banging, idling trucks waiting to proceed, dust, voices, and reversing trucks. There may also be some weekday work between 7:00 a.m. and 5:00 p.m.

Residents with questions or concerns about our operations can call our 24/7 toll-free Community Connect line at: 1-800-766-7912 or email [community\\_connect@cpr.ca](mailto:community_connect@cpr.ca).

To report an emergency, please contact the [CP Police service at: 1-800-716-9132](tel:1-800-716-9132); 24 hours a day.
