**RE: 2022 COMMUNITY RELATIONS PLAN UPDATE
CEDAR SERVICE INC. SITE, MINNEAPOLIS, MINNESOTA
MDA CASE FILE: 91-0082, CIS #253128**

Dear Mr. Zettler & Mr. Orlowski:

The original Community Relations Plan for the Cedar Service Inc. site (Site) was developed in 2005; from 2007 through 2021, the Community Relations Plan was reviewed and updated on an annual basis by Golder Associates Inc. on behalf of Soo Line Railroad Company, doing business as Canadian Pacific. This year, 2022, it is being updated by Golder Associates USA Inc. (Golder). The last update was submitted to the Minnesota Department of Agriculture (MDA) on February 1, 2021.

The Joint Community Relations Plan for 2022 was modified to update contact information. For convenience, the entire Community Relations Plan is reproduced below.

Cedar Services Inc. Community Relations Plan for 2022

Communications

- 1) In December of each year, CP will prepare and issue a concise newsletter providing an update on the progress of Site cleanup to local residents and interested parties, including the representative of the First Ward of Minneapolis, who also serves as the coordinator of the Shoreham Area Advisory Committee.
- 2) CP and/or MDA will communicate any significant changes to Site cleanup activities that occur during the year to the First Ward of Minneapolis. CP and/or MDA will be available to attend meetings called by the representative of the First Ward to answer questions related to these significant changes.
- 3) In the event any field activities are planned to take place within residential neighborhoods, such as drilling or well decommissioning activities, CP will provide written notification to each property within two blocks of the proposed activity. The notification will include the following: brief description of the work to be performed; map showing the work location(s); anticipated hours of work; and emergency contact information. Copies of notifications will be sent via e-mail to MDA, to the representative of the First Ward of Minneapolis, and to the neighborhood association for the neighborhood in which the work is located.

Availability of Documents

Notification of the posting of key reports (including monitoring data) to the Shoreham repository will be communicated via email to the representative of the First Ward of Minneapolis at least on an annual basis. Copies of all such information regarding the Site are uploaded on an ongoing basis and may be accessed via the internet at the following website:

<http://www.cpr.ca/en/community/shoreham-repository>

Information Contacts

CP technical and community-relations staff have been designated to respond to any public inquiries. Contact information is as follows:

Technical Staff

Karlene French
System Specialist Environmental Remediation
Karlene_French@cpr.ca
(612) 358-4674

Community Connect

(800) 766-7912

MDA's Project Manager is also available to respond to public inquiries:

Project Manager

Lee Zettler
Lee.Zettler@state.mn.us
(651)-201-6394

This plan will continue to be reviewed annually, and any mutually agreed upon changes will be incorporated in a new version of the plan as appropriate.

If you have any questions or concerns regarding this plan, please contact us at your earliest convenience.

Sincerely,

Golder Associates Inc.

Mark Bergeon
Railroad Program Leader/Associate

ND/MB

CC: Council Member Elliott Payne, First Ward of Minneapolis
Kevin Carroll, City of Minneapolis
Thomas Reppe, MPCA
Matthias Wolf, MPCA
Michelle Brodin, Stinson LLP
LeeAnn Thomas, CP
