Good afternoon,

On behalf of CP, Golder prepared the 2021 Annual well vault inspection report for the City of Minneapolis and MDH. We submitted that report to them earlier today. Due to file size the report can't be attached to email. If you would like a copy of the full report, it can be found on the CP Shoreham Yard site repository for download, <https://www.cpr.ca/en/community/shoreham-repository/document-list>

Feel free to message me if you have any further questions or comments.

Thanks

Bryan
