[Tariff 7 \[Between Railways\]](#)

[Tariff 9700 \[Mileage-based Fuel\]](#)

[Tariff 9800 \[Environmental Surcharges\]](#)

Introduction

Application *Item 1*

In addition to any other applicable tariff, the prices, charges and rules of this Tariff apply, as amended from time to time. Prices in this Tariff apply as published at the time the service was rendered, in the currency of the country in which the service occurs, and are assessed to the party requesting or requiring the service, unless otherwise specified. For notifications of updates to this Tariff, subscribe using [CP Customer Station](#).

Definitions *Item 2*

car a railcar

vehicle / VIN an automobile, truck, van or other machine intended for road-based transportation

Automotive services *Item 10*

\$50 per VIN

Loading or unloading vehicles *Item 11*

+\$

This fee applies to vehicles loaded to / unloaded from railcars. It includes securement to / removal from the railcar, and movement of the vehicle within the automotive facility.

\$55 per VIN

Gate fee *Item 12*

+\$

Vehicles entering or exiting the automotive facility by a mode other than rail will be assessed this fee, which includes documentation, preparation and handling.

\$75 per VIN per service

Minor repairs *Item 13*

This fee applies to minor repairs to facilitate the movement of vehicles on or off railcars, or within the automotive facility. Such repairs include boosting a battery or replacing a flat tire with the vehicle's spare. Repairs that exceed this scope will be passed through at cost + 25%.

\$18 per VIN per service

Minor services *Item 14*

This fee applies to minor services required such as placing manuals or documentation in a vehicle, or refueling.

\$18 per VIN per day

Vehicle storage *Item 20*

This storage fee applies to vehicles remaining in railway-owned storage areas beyond the first 48 hours after placement. Storage is assessed to the consignee or party out-gating the vehicle.

Vehicles that cannot be unloaded *Item 25*

Vehicles that arrive at the automotive facility with an issue that prevents unloading [e.g. missing keys, mechanical defect, etc.] are subject to additional handling fees, which may include but are not limited to: railcar switching and asset use per Tariff 2, and related towing charges.
